Esafety @ Roberts Primary School

Dear Parents and Carers,

At school we take the safety of our pupils very seriously including their safety while they access the Internet, we want this approach to esafety to spread to the home online environment too and we would like to offer you the opportunity to listen to a talk on esafety.

In order to help us support you, please let us know the most appropriate times you would be available for a presentation aimed at sharing with you some tips and resources to help you guide your children and help you keep up to date in a digital world. Exact dates and times will be confirmed once responses have been received. Please return your reply slip by Thursday 5th May.

Please note the target audience for these sessions is adults. Pupils will receive these key messages in an age appropriate way as part of the curriculum.

In the meantime, here are a few tips to help you keep your children safe online:

The CEOP thinkuknow Site is probably the best place for esafety information online. It has a wealth of information for parents and students:

www.thinkuknow.co.uk

The UK Safer Internet Centre holds the annual Safer Internet Day in February each year that we take part in. Their site has a lot of great resources as well:

www.saferinternet.org.uk/advice-and-resources

If you have any concerns about behaviour online then you can report it here to the police:

www.ceop.police.uk/safety-centre/

Yours sincerely,

K. Hughes

Deputy Headteacher

Esafety @ Roberts Primary School

Child's name:

Class:

I would like to attend a presentation on esafety at Roberts Primary School. Please circle the best time/s for you to attend:

9.00am

2.30pm

3.30pm

6.00pm

8.00pm

Other (please specify) _____

I do not wish to attend a presentation on esafety at Roberts Primary School
