

Purpose of funding: Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Vision: All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

We would expect indicators of such improvement to include:

- The engagement of all pupils in regular physical activity;
- The profile of PE and sport being raised across the school as a tool for whole school improvement;
- Increased confidence, knowledge and skills of all staff in teaching PE and sport;
- Broader experience of a range of sports and activities offered to all pupils;
- Increased participation in competitive sport.

Accountability: From September 2013, schools will be held to account over how they spend their additional, ring-fenced funding. Ofsted will strengthen the coverage of PE and sport within the 'Inspectors' handbook' and supporting guidance so that both schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision.

Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

Physical Education and Sports Premium Expenditure:

Physical Education and Sports Premium (PESP) received 2021-2022				
Number of Pupils on Roll:	636 Pupils	Amount of PESP Received per Pupil:	£16,000 plus £10 per pupil.	
		Total Amount of PESP Received:	£21,337	
		Date of Midpoint Review: January 2021	Date of Next Review: July 2022	

	Barriers to future attainment At the start of the year SLT analyse data for all pupils and identify their individual barriers to learning based on data and contextual information					
In-school ba	rriers (issues to be addressed in school)					
А	Lack of pupil knowledge of the importance of Physical Activity and School Sport on health, fitness and emotional well-being. (KI1The engagement of all pupils in regular physical activity).					
В	Lack of pupil involvement because of COVID-19. (KI1The engagement of all pupils in regular physical activity).					
С	 Staff knowledge (confidence delivering curriculum activities along with progressing most able pupils). (KI3 Increased knowledge and skills of all staff). Limited range of after school clubs available in school - to be brought forward from 2019/2020 due to COVID-19/national lockdown. 					
D	(KI2 Profile of PE and sport being raised across the school and KI4 Broader experience of a range of sport). Lack of girls participating in sporting events - to be brought forward from 2019/2020 due to COVID-19/national lockdown.					
E	 (KI5 in increased participation in competitive sport). Limited opportunities to compete in competitive sporting events - to be brought forward from 2019/2020 due to COVID-19/national lockdown. (KI5 Increased participation in competitive sport). 					

	Desired Outcomes and Impact Measures	Success Criteria
А	Increased opportunities through the school day to focus on health and fitness through class physical activity and class sport.	 To use the large pieces of fitness equipment purchased for the field. More than 3 year groups to participate in the "daily mile". To have a specific mile track marked out for children to use. Daily opportunities for competitive sports at lunchtime in classes. Daily opportunities for pupils to take part in competitive sporting activities from home using Cyber Coach.
В	Staff have a clear understanding of key teaching points and the progression within different specific year group sports within the P.E. curriculum.	 Specialist staff to support teaching staff in developing knowledge and understanding of P.E. and sports curriculum. All staff to be able to explain the progression of skills required and rules in each sporting field. All staff to be able to demonstrate to be able to improve techniques required in different sports. Children demonstrating improved skills in specifically taught sports.
С	More of a range of activities related to sport available to pupils in class and to be reinstated across school competitively following COVID-19 lockdown when children are able to mix bubbles.	 All classes to use updated curriculum and teach the specified full range of sports for their year group. A variety of sports using appropriate equipment offered to pupils over the school year. If possible, due to COVID-19, at least 2 new sports introduced in the Summer term for after school clubs. More KS1 participation in after school clubs.
D	To encourage more girls to participate in sporting events competitively between classes and inter school events following government restrictions being lifted.	 For more girls to be competitive within the class sporting events. More girl participation in after school clubs when restrictions allow and competitive inter school competitions (e.g. football).
Е	For the school to provide in-house ways of taking part in competitive sporting events. This could be in year groups or coloured classes across the school.	 To take part in at least 4 competitive sporting events annually. For at least one of these events to involve girls. For at least one of these events to involve KS1 children. To have a COVID-19 safe sports day.

	Planned Expenditure 2021-2022						
1. Quality of teaching for all							
Desired Outcome	Action	Rationale	Monitoring	Staff	Review date		
В	 Staff release to plan a scheme of work identifying progressive teaching points in each genre of physical activity. £1,800 P.E. coordinator training led by Youth Sports Trust (YST). £240 Release cost for coordinator to attend the PE Conference. £200 Virtual staff training for specific P.E. skills. £400 	 Clear learning objectives and points of development available to teachers so that they can deliver high quality first teaching related to Physical Education. High quality training will ensure that all staff can deliver high quality first teaching related to Physical Education. The delivery of appropriately pitched, fast paced, interactive lessons focussed on the learning needs of all pupils will enhance the achievement for all including disadvantaged pupils. High quality training will also ensure that the P.E. coordinator and trained staff support other teachers and enhance the overall provision of Physical Education an enable the school to evaluate the effectiveness of the P.E. curriculum. 	Lesson observations to be carried out by SLT and P.E. coordinator in Summer term. Cost approx. £500	KS2 Staff	• July 2022 Cost approx. £3,140		
А	 Specialist coaches employed to support and develop teaching and learning in 	• The rationale for using specialist seaches	Observations to be carried out half termly by	Learning Mentors	• July 2022		
В	the classroom (Ellowes - £1,200). • Specialist coaches to support lunchtime	 The rationale for using specialist coaches and Learning Mentors is to ensure that appropriately trained personnel are available 	SLT.	• Specialist Sports
