

Year 5 Clarinet

Lesson 7

Mrs Gullick has put together a series of short films that you may wish to share with the Year 5 classes that were learning the Clarinet in our whole class sessions.

Your child was having a Clarinet lesson in school once a week. Although they are not able to play the instrument as it is in school, there are still things they can do to help get better at music.

Below are some links to musical activities that they can do. Please have a go, encourage your child to join in – you may even want to do this with the whole family!

Here are week seven activities for your children to take a look at:

This is a lovely song for you to learn called ‘a little bit of kindness’, it’s a real feel good song so I hope you enjoy singing along!

I would like you to try number 2 ‘Get Arty’ from the link below. The idea is to experiment with art whilst listening to a piece of music. You could use paint, colouring pencils, pens, crayons or even chinks to create a musically inspired work of art.

Let yourself go, get into the music and explore different colours and textures!

You can try this whilst listening to ‘A Night on the Bare Mountain’ by Mussorgsky or maybe your favourite piece of music?

Have fun!

During school closure DPA are offering online lessons for existing students that we teach individually or in small groups, [click here](#) to enrol for these lessons.

DPA have also created a [YouTube](#) channel where you can find all sorts of videos that staff have made for children. There are songs to sing for young children through to detailed master classes for advanced students.
